

SAIW L2 TO CSWIP 3.2.1 & 3.2.2 WELDING INSPECTION

Rev 06

This course is designed for holders of a SAIW Level 2 Welding Inspector qualification wishing to upgrade to the internationally recognized CSWIP qualification.

What will I learn?

Welding technology; NDT reports; fracture failures; weld symbols on engineering drawings.

What will I leave with?

The course and exam package is designed to prepare you for the CSWIP Welding Inspector bridging examination.

FAQ

How soon can a learner receive materials prior to sitting an exam?

For the online training materials, once they have payed, they will be given a link and a password which will be allocated by TWI UK staff. All of the materials are contained on our virtual academy which they may download.

What is the minimum period?

Students are given access for a period of 60 days for the online learning but extensions can be applied depending on the situation at the time.

What is the required minimum classroom attendance required for each course?

The 3.2 Bridging is designed to deliver 3 days of classroom training. The student will be required to attend a 2 day classroom practical event followed by a one day examination. Completion of the online course plays a critical part to ensure you are well prepared for the classroom training and examinations.

What is the minimum number of learners required to attend examinations? We only require a minimum of 8 bookings

Do the candidates get hard copies of course notes and can we issue them prior to classroom attendance? We do not provide a hard copy; a copy can be printed from the PDF.

What do I need to bring with the exam?

- Vision certificate (reading a minimum of Times Roman N4.5, or equivalent type and size letters, at not less than 300mm on a standard test chart for near vision, in at least one eye, corrected or uncorrected) Please use the Vision Test attached.
- 2 passport size photographs (Name and signature behind).

Entry Requirements

In order to qualify for this course you need to hold a current SAIW Welding/Fabricator Inspector 2

BOOK NOW!

Classroom and Exam dates – Please refer to IQS CSWIP Welding Inspection Course Schedule

To enroll please complete and return pages 1 to 4 of enrolment form and return to: gadocs@iqsint.com or TWItraining@iqsint.com

What happens next?

When you have booked your course, you will receive an email notification with your login details for the Online Learning. You will then have 60 days to complete your distance-learning course.
